### **DETAILED ACTION**

***This application was transferred to Examiner Quang Nguyen, Ph.D. in GAU 1633.***

Applicant's Amendment After-Final filed on 10/27/06 was entered even though the amendment to the claims does not comply with the requirements of 37 CFR 1.121(c) because the status of claim 12 is incorrect. Its status should be new instead of previously presented. This is because the amendment to the claims filed on 9/19/06 was not entered. However, for the purpose of a compact prosecution, the Amendment After-Final filed on 10/27/2006 was entered.

Claims 2, 6 and 12 are pending in the present application.

### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with attorney Alice O. Martin on November 17, 2006.
